

CHALLENGES OF PROJECT MANAGEMENT

What is PMI? What do we do?

- ▲ create and develop the highest standards in Project Management
- ▲ cooperate with business, public administration, mass media, institutes of higher education and universities
- ▲ organize conferences, seminars and workshops in Project Management, initiate and conduct local charitable activities

Benefits for your Business/Organization

- ▲ promote your organization and present the scope of your organization activities
- ▲ make valuable business contacts and become part of PMI community
- ▲ inform about 20 000 of PMI Poland Chapter newsletter recipients about your organization and how it operates

PMI Community

- ▲ Project Managers including management executives of big medium-sized and small enterprises in the field of IT, ICT, Engineering, Construction, Architecture, Law and Finance
- ▲ Employees of the biggest business organizations in the country
- ▲ Academic teachers lecturing in the field of Project Management who are passionate about it

Join PMI Community

- ▲ Gain active branding
- ▲ Build your corporate image
- ▲ Meet both theoreticians and practitioners - outstanding specialists in Project Management
